## Course description

Sophia's Accounting course helps you gain mastery of the fundamental principles and procedures of the modern practice of accounting. In this course, you will gain practical experience with bookkeeping and preparing financial reports within the context of operating a sole proprietorship. You will use a problem-solving approach to actively apply key concepts of introductory accounting to realistic case studies.

## Assessments & grading

This is a pass/fail course. You must complete 9 Challenge assessments (these are like quizzes) and 4 Milestone assessments (these are like tests) with an overall score of 70% or better.

## Learning outcomes

At the end of the course, you'll be able to:

- Identify accounting fundamentals.
- Analyze financial reporting.
- Apply principles of accounting for merchandising operations.
- Analyze advanced accounting topics.
